

PULP PAPER PAGES

Paper and book arts are a vibrant aspect of contemporary craft. This juried exhibition will feature a wide variety of forms, objects, approaches, techniques and concepts found in both the paper and book arts. This major survey exhibition will be presented in the Alberta Craft Council's Feature Gallery in Edmonton. (The Craft Council will work on other future exhibition locations.)

This call is open to emerging and professional Alberta artists (and artists with a connection to Alberta) working in paper and book arts. Original work created outside of workshops or classes within the last five years will be considered.

Paper arts might include hand-made or hand-decorated papers, paper mache, origami, woven papers, cut and pierced paper, collage, lamps/lanterns, boxes, furniture, and other sculptural or functional paper objects.

Book arts might include hand-made and altered books; book binding and restoration; typography, calligraphy, letter press printing and printmaking in books; and other book-related forms.

Please Note: printmaking, painting, drawing, and scrap-booking are not included in this exhibition.

Various Albertan organizations are generously providing prizes to participants such as:

- **The Bluerock Gallery and Arts on Atlantic Gallery** will invite one or more artists to exhibit work.
- **The Banff Centre Library artists' Book Collection and the University of Alberta's Bruce Peel Special Collections Library** are awarding purchase prizes.
